I confirm that I understand that iMED is exclusively for new-to-UBC international students and that if I decide to travel to Canada for another program of studies at UBC in the future, I will no longer be a new-to-UBC student and, as such, will not be eligible for iMED. **In this event, it will be my responsibility to purchase private health insurance to cover myself for medical care in Canada, either for the duration of my future UBC program or until I can be enrolled in the BC Medical Services Plan (BC MSP).**
